

UAT 8th July.

- Button is “terminate contract”

The screenshot shows an employee profile page for 'Jamie Test Miki'. At the top, there is a breadcrumb 'Home > Employee' and a 'Back' button. The page title is 'Profile Details'. The profile card includes a placeholder for a profile picture, the name 'Jamie Test Miki' with a verified badge, and roles 'CEO' and 'Singapore'. Contact information includes 'mikaeltel@outlook.com' and 'test EH'. A 'Terminate Contract Request' button is visible. Below this, two boxes show 'Monthly Gross Salary' as 'SGD10,533' and 'Total Leaves' as '0'. A 'Profile Completion' bar is at 100%. A horizontal menu contains 'Overview' (selected), 'Salary Details', 'Employment Contracts', 'Payslips', 'Expenses', and 'Leave Requests'. Below the menu are two sections: 'Basic Details' with an 'Edit Info' button, containing fields for 'Full Name' (Jamie Test Miki) and 'Email Id' (mikaeltel@outlook.com); and 'Account Details', containing fields for 'Bank Name' (Citibank) and 'Bank Branch' (Test).

### Testing payslip

- Employee creation failed for global payroll Portugal . not sure why ?  
[https://agile-admin.aalpha.co.in/public/view\\_edit\\_employee/13](https://agile-admin.aalpha.co.in/public/view_edit_employee/13)
  - We need to test payslip for singapore
  - Can the admin terminate on behalf of a client ?
- In all user story an admin should be able to do what any user can do .
