

UAT ADMIN PORTAL

- User list

https://agile-admin.aalpha.co.in/public/admin_user_list

what 's the difference btw sub admin and super admin ?

- REJECT STATUS in the request

There should not be a reject let s chge it to "Cancel"

Also there should be a button "submit for review" before the final approval to warn the client if somethg has been chged .

can we add a coment section when we submit for review so the clients knows what has been chged

there should be 3 buttons:

Approved

Submit for review (by client)

Cancelled

New Employee Request Agile Approved Rejected Approved

- Can t log out on chrome . when I go over in the right corner nothg happens.
 - In the employee, page add a button "add employee " so the admin can also create a request on behalf of customers
- Once pressed the screen should ask for which client does the admin want to create a request for?

- Forgot password :

Leads to a 404 error page

- The complex Singapore cost calculator is only for EOR
The other services use the generic cost calculator

- When modifying the gross salary In the form the cost calculator gross salary should also be updated
