

UAT 4th of June

Employee space

- After the first login the employee should be forced to complete the information missing in his profile like bank account details , address , emergency contact , etc. Information not provided by the client.
- The compensation panel is empty even though information was provided by the client

The screenshot shows an employee profile for 'sandra hagege' with a verified email. The profile includes a 'Gross Salary' of SGD 10,000. Below the profile, there are tabs for 'Personal Information', 'Job Description', and 'Compensation'. The 'Compensation' tab is active, showing a table for 'Fixed Allowance (SGD)'.

Description	Meal
Time Recurrence	Monthly
Payment Type	Flat Rate
Compensation Amount	150

Generic employee profile :

- Bank name should NOT be a drop-down list. just a free text field .

The screenshot shows a 'Bank Details' form with the following fields:

- Bank Name ***: A text input field with a dropdown menu showing options like CITIBANK, DBS, HSBC (Personal), OCBC, STANDARD CHARTERED BANK, and UOB.
- Account/IBAN ***: A text input field.
- Fedwire Routing Number / Bank Branch ***: A text input field.
- Address Line 2**: A text input field.
- State**: A text input field.
- City ***: A text input field.
- Zipcode ***: A text input field.

Manager space:

It is really complicated to find where to do the approval for leave requests.
We should have a panel with the pending tasks/ approvals

Admin:

- Cost calculator for global payroll Singapore is missing the mandatory field “SimplePAY client id”

- When there is the comment made to a client via a “submit for review “, please include the comment in the email.
